TOWNSHIP OFFICIALS OF ILLINOIS RISK MANAGEMENT ASSOCIATION

# RISK REMINDER

## PPE for Workers Checklist

PROTECTION	TYPICAL OPERATIONS OF CONCERN	YES	NO
<b>EYE</b> 	<p>Sawing, cutting, drilling, sanding, grinding, hammering, chopping, abrasive blasting, punch press operations, etc.</p> <p>Pouring, mixing, painting, cleaning, siphoning, dip tank operations, dental and health care services, etc.</p> <p>Battery charging, installing fiberglass insulation, compressed air or gas operations, etc.</p> <p>Welding, cutting, laser operations, etc.</p>		
<b>FACE</b> 	<p>Pouring, mixing, painting, cleaning, siphoning, dip tank operations, etc.</p> <p>Welding, pouring molten metal, smithing, baking, cooking, drying, etc.</p> <p>Cutting, sanding, grinding, hammering, chopping, pouring, mixing, painting, cleaning, siphoning, etc.</p>		
<b>HEAD</b> 	<p>Work stations or traffic routes located under catwalks or conveyor belts, construction, trenching, utility work, etc.</p> <p>Construction, confined space operations, building maintenance, etc.</p> <p>Building maintenance, utility work, construction, wiring, work on or near communications, computer, or other high tech equipment, arc or resistance welding, etc.</p>		
<b>FEET</b> 	<p>Construction, plumbing, smithing, building maintenance, trenching, utility work, grass cutting, etc.</p> <p>Building maintenance, utility work, construction, wiring, work on or near communications, computer or other high tech equipment, arc or resistance welding, etc.</p> <p>Welding, foundry work, casting, smithing, etc.</p> <p>Demolition, explosives manufacturing, grain milling, spray painting, abrasive blasting, work with highly flammable materials, etc.</p>		
<b>HANDS</b> 	<p>Grinding, sanding, sawing, hammering, material handling, etc.</p> <p>Pouring, mixing, painting, cleaning, siphoning, dip tank operations, health care and dental services, etc.</p> <p>Welding, pouring molten metal, smithing, baking, cooking, drying, etc.</p> <p>Building maintenance, utility work, construction, wiring, work on or near communications, computer, or other high tech equipment, arc or resistance welding, etc.</p>		
<b>BODY</b> 	<p>Pouring, mixing, painting, cleaning, siphoning, dip tank operations, machining, sawing, battery charging, installing fiberglass insulation, compressed air or gas operations, etc.</p> <p>Cutting, grinding, sanding, sawing, glazing, material handling, etc.</p> <p>Welding, pouring molten metal, smithing, baking, cooking, drying, etc.</p> <p>Pouring, mixing, painting, cleaning, siphoning, dip tank operations, etc.</p>		
<b>HEARING</b> 	<p>Machining, grinding, sanding, work near conveyors, pneumatic equipment, generators, ventilation fans, motors, punch and brake presses, etc.</p>		

*Note: Pictures of PPE are intended to provide a small sample of what the protection gear may look like. They are not to scale nor are they inclusive of all protection gear required and/or that is available.*
